No job too small!

Residential and Commercial
For all Your Electrical Needs
We'll call you back!

Breton Electric specializes in providing prompt, personalized service. We listen, we explain the details, and we do our best to work within your budget. **Here are excerpts from what people say about us:**

"I was very pleased with the work. It stayed on budget; in fact came in under. Steve was available to talk with throughout the project."

"Steve Breton and his crew ... have done a wonderful job getting our antiquated wiring up to date."

"...a superb job with sincere honesty toward sensible solutions to correct the problem."
